

CITY OF LODI

COUNCIL COMMUNICATION

AGENDA TITLE: Conduct Public Hearing to Consider 1993-94 Community Development Block Grant (CDBG) Allocation

MEETING DATE: April 7, 1993

PREPARED BY: Community Development Director

RECOMMENDED ACTION: That the City Council conduct a public hearing to solicit public comments and project ideas and to consider local and multi-jurisdictional proposals.

BACKGROUND INFORMATION: The City will receive \$499,455 from the Federal government under the CDBG Program for the 93-94 fiscal year. To be eligible for funding, projects must meet one of three national objectives:

1. To address the needs of low and moderate income persons.
2. To eliminate a slum or blighted condition.
3. To resolve an urgent need.

While it is expected that the City Council will continue to fund certain continuing projects/programs such as administration and Dial-a-Ride, several new proposals have been received. The proposals are as follows:

Administration

Funding in the amount of \$25,162.40 is being proposed since it has been estimated that about half of the assigned staff person's time is devoted to program administration duties. Expenditures include salary, materials, travel, etc.

A request has been received from the East Side Task Force to enable them to assist with blight eradication efforts on Lodi's east side. This local community based group is requesting \$5,000 to help fund their efforts to attack blighted conditions which persist on the east side of Lodi. The funding for this group would be rolled into the Administration budget and would be used primarily for supplies, printing costs, mailing costs, etc.

Housing Rehabilitation

It is being proposed to allocate \$200,000 to this program for this year. This ongoing program rehabilitates owner-occupied structures anywhere in the City on the basis of income. Any homeowner can qualify if he/she meets the income requirements. Interest in and demand for the program has steadily increased each year.

APPROVED: _____

THOMAS A. PETERSON
City Manager

recycled paper

CC-1

Dial-a-Ride Transportation

It is being proposed to allocate \$5,000 to this program again this year. Through this program, discount ride tickets are distributed by Lodi's Community Service Center to enable senior citizens and other low income individuals to use Dial-a-Ride transportation. Demand for these tickets is expected to continue.

Lawrence Park Restroom Replacement; Americans with Disabilities Act (ADA) Compliance

An allocation of \$44,090.12 is being proposed for a Parks project to replace the restroom structure at Lawrence Park with a new prefabricated building. The new bathroom facility would be handicap accessible.

Emerson Park Restroom Replacement; ADA Compliance

An allocation of \$56,175.93 is being proposed for a Parks project to replace the restroom structure at Emerson Park with a new prefabricated building. The new bathroom facility would be handicap accessible.

Curb Ramps for Public Streets; ADA Compliance

It is being proposed to fund the replacement of some of the City's curbs with curb ramps in the amount of \$79,867.55. The program would install wheelchair access ramps at several sites identified by the Public Works Department as having received a lot of complaints.

San Joaquin Community Housing Resource Board (CHRB); Fair Housing Services

This agency is the referral agency for the county and the other cities within the county for fair housing and discrimination related issues. The funding request of \$9,963 is the City's share of the county total based on its size and the effort required to provide service in Lodi. The amount requested is different for each city. The CHRB assists low/moderate income individuals subjected to housing discrimination through outreach and counseling, referrals, and mediation and conciliation services.

Senior Services Agency of San Joaquin County; Kitchen Facility Construction

The Senior Services Agency of San Joaquin County is attempting to complete the construction of a new kitchen facility which was begun in 1990 utilizing CDBG and other funds. They are requesting \$24,239 from Lodi as well as an amount from every other city it serves, through the preparation and distribution of bulk food to local service agencies.

San Joaquin County Food Bank; Surplus Food Distribution Services

The Food Bank is requesting \$2,957 from Lodi, as well as an amount from each city in the county that uses their Services. Surplus food collected from producers and distributors is warehoused by the agency until it can be sorted and donated to local city service agencies. The funds will be used for a part-time staff position, vehicle operations and maintenance, and office operations and warehouse utilities.

Women's Center of San Joaquin County; Property Acquisition

The organization is requesting \$50,000 to be put together with other funding sources to purchase a house at 29 South Washington Street in Lodi. The house would be used as the permanent home for the agency which provides services to victims of domestic violence and sexual assault.

FUNDING: Originally budgeted - 1993-94
FUND: Community Development Block Grant
ALLOCATION: \$499,455

James B. Schroeder

EASTSIDE IMPROVEMENT COMMITTEE

P.O. Box 2444
Lodi, Ca. 95241

Phone 368-8848
February 28, 1993

Mr. Eric Veerkamp
Community Development Department
City of Lodi
Lodi, Ca. 95240

Dear Mr. Veerkamp:

To forward the work of cleaning up blight, crime, and drugs in Lodi's eastside neighborhoods, we request that \$5,000.00 of block grant money be included in your budget and allocated to our committee for fiscal year 1993-1994.

These funds would be used to empower low income residents on Lodi's eastside to reclaim their neighborhoods. Since at least sixty percent of eastside residents are low and medium income households, this area largely falls within the official poverty guidelines.

The unemployment rate for this area is now over ten percent, and upgrading the appearance and livability of Lodi's eastside will assist efforts to attract clean industry to San Joaquin county.

By montly breakdown, we would anticipate using the \$5,000.00 in the following ways:

Printing 500 newsletters in English (2 pages @10 cents per page).....	\$100.00
Printing 500 newsletters in Spanish and other languages.....	100.00
Newsletter bulk rate postage.....	42.00
Telephone (business rate).....	8.50
(long distance calls).....	5.00
Post office box.....	2.50
Office supplies (computer paper, printing ribbons, cartridges, stationery, envelopes, etc.).....	15.00
Office postage.....	29.00
Meeting supplies (coffee, printing hand-outs)	25.00
Printing flyers English (1,000 @10).....	10.00
Printing flyers (Spanish & other languages).....	10.00
Secretary/Treasurer expenses (ledgers, stationery, envelopes, postage, etc)...	25.00
Miscellaneous expenses	45.00
Total monthly expense.....	\$417.00

Respectfully submitted,
Virginia Snyder, Coordinator
Eastside Improvement Committee

BYLAWS OF

THE LODI EAST SIDE IMPROVEMENT COMMITTEE

ARTICLE I

ORGANIZATION

SECTION 1.

Under the auspices of the City of Lodi, there is hereby created the Lodi East Side Improvement Committee.

ARTICLE II

PURPOSES

SECTION 1. GENERAL PURPOSE

The East Side Improvement Committee is organized and created for the purposes of maintaining and improving the quality of life and the appearance of Lodi's East side, by the coordinated efforts of a broad spectrum of the community. The "East side" shall refer to that area generally bounded by Sacramento Street on the west, Highway 99 on the east, Turner Road on the north, and Century Boulevard on the south.

SECTION 2. SPECIFIC GOALS/PURPOSES

- A) To combat illegal drugs, prostitution, and other crimes by such measures as cooperation with or establishment of groups such as Crime Stoppers or Neighborhood Watch.
- B) To eliminate blight and encourage the maintenance, improvement, or rehabilitation of property on Lodi's East side with the cooperation of residents, property owners, business and government.
- C) To encourage compliance with building, housing, fire, and other health and safety laws, and local property maintenance ordinances by East side property owners, residents, and businesses.

- D) To coordinate with churches, civic and community groups, and other community based organizations to educate and inform the public on ways of achieving these goals, and to keep the public informed of the efforts.
- E) To work with the business community to encourage a healthy business climate on the East side.

ARTICLE III

MEMBERSHIP

SECTION 1. GENERAL MEMBERSHIP

General membership shall be open to all persons.

SECTION 2. BOARD OF DIRECTORS

The Board of Directors shall consist of fifteen (15) persons who are property owners or residents of the East side, or who operate businesses there, appointed by the City Council with the recommendation of the Board of Directors. Officers on the Board shall serve three (3) year terms, commencing March 1, 1993. Of the initial fifteen appointees, five (5) shall serve three (3) year terms, five (5) shall serve two (2) year terms, and five (5) shall serve one (1) year terms. Of the original appointees, the appointees serving three (3) year, two (2) year, and one (1) year terms shall be chosen by lot. Thereafter, appointees shall serve full terms except upon resignation or earlier removal under these Bylaws.

SECTION 3. SUBCOMMITTEES

There may be as many subcommittees as deemed necessary by the Board to accomplish any specific goal to be achieved by the Improvement Committee.

ARTICLE IV

OFFICERS

SECTION 1. EXECUTIVE OFFICERS

The Executive Officers shall consist of a President, First Vice President, and Second Vice President. These three officers may appoint a Secretary and/or Treasurer. The initial President shall be Virginia Snyder, First Vice President John Young, and Second Vice President Virginia Lahr. New officers shall be elected by the Board annually at the first meeting in March.

SECTION 2.

The President shall serve as spokesperson for the Improvement Committee and liaison with the Lodi City Council.

SECTION 3. ATTENDANCE

Any officer or Board of Directors member who misses three (3) consecutive meetings without the consent of the Board shall be deemed to have vacated the office.

ARTICLE IV

FINANCIAL MATTERS

SECTION 1. REVENUES

All revenues of the Improvement Committee shall be administered through a trust bank account, to be monitored by the City of Lodi and into which all donations, gifts, or other revenues raised by the Improvement Committee shall be placed. All expenditures must be approved by a majority vote of the Board, subject to City Council overview.

SECTION 2. AUDITING

The trust fund account for the Improvement Committee shall be audited as part of the City's regular annual audit.

ARTICLE V
TERM OF EXISTENCE/DISSOLUTION

SECTION 1. CONTINUOUS OPERATION

The East Side Improvement Committee shall continue and be permanent until dissolved by action of the City Council or the Improvement Committee Board of Directors.

ARTICLE VI
BOARD PROCEDURES

SECTION 1. QUORUM AND VOTING

Eight (8) Board Members shall constitute a quorum and may conduct business at any regular meeting. A majority of those present may act by affirmative vote. No proxy voting is allowed.

SECTION 2. PROCEDURES

The Board of Directors shall be subject to and conduct meetings under the procedural rules of debate adopted by the City Council in Resolution 93-35.

SECTION 3. MEETINGS

The Board shall meet monthly on the first Thursday of each month, at a location to be determined by the Board, and open to the public. All meetings shall be subject to the provisions of the Ralph M. Brown Act (Government Code Section 54950 et seq.).

SECTION 4. COMMUNICATIONS

All external communications to the public or media shall be through or authorized by the President, or in his/her absence, by the Chair.

ARTICLE VII

AMENDMENTS

SECTION 1.

These Bylaws shall constitute the empowering documents for the East Side Improvement Committee and may be revised by the City Council or a majority vote of the Board of Directors, at a regular meeting previously announced for that purpose, subject to ratification by the Lodi City Council.

ADOPTED BY MAJORITY VOTE OF THE BOARD OF DIRECTORS ON _____,
1993.

MEMORANDUM, City of Lodi, Public Works Department

TO: Eric Veerkamp ✓
FROM: Public Works Director
DATE: March 11, 1993

SUBJECT: Block Grant Funding for Handicapped Ramps

In response to your request for potential projects for Community Development Block Grant funding, we suggest you consider an ongoing program of retrofitting handicapped ramps at street intersections. While we do not have an inventory of deficient locations as of this writing, we are working on one. We know there are thousands of curb returns in Lodi that do not have ramps. The Public Works Traffic Section has been logging complaints received by that section regarding lack of ramps. The current list contains 77 requested ramps and a rough cost of \$258,500 to install these ramps. Note that this does not include new sidewalks or other paths that may have been requested. A copy of the list is attached.

The street capital improvement program presently allocates \$15,000 annually (up from \$5,000 in previous years) for such retrofits. A copy of this "project" description is also attached. As noted on the description, ramps are also being installed with other street projects. We have also recently directed our staff that any sidewalk replacement involving a curb return should include the installation of a ramp.

The program could consist of a one-or two time large allocation to install those requested ramps with an ongoing, smaller allocation to handle additional requests and/or a retrofit program on some policy basis. Whether we obtain this funding or not, we intend to obtain Council direction on retrofit priorities.

Give me or Richard Prima a call if you have any questions.

Jack L. Ronske
Public Works Director

Public Works Department

Streets Capital Improvement Program

Handicap Ramp Installations

Various Locations

Project Description

This project includes the installation of new handicapped ramps at needed locations. We have requests for over 40 locations.

At present there is no formal priority list of requested locations. Candidate locations based on citizen requests include Lodi Lake Park entrances and adjacent street corners, near schools, medical facilities, churches and other public facilities.

Past amounts budgeted (\$5,000/yr) is insufficient to do more than three locations at best. If the installation requires relocation of a catch basin, then only one ramp can be installed. The recommended increased amount (\$15,000) will allow a more effective retrofit program.

Ramps are included in estimates for street reconstruction projects and overlay projects involving paving or curb & gutter replacement at curb returns.

Recent expenditure history is:

FY	Amount
90/91	\$13,256
89/90	\$0
88/89	\$7,170

Dear Mr. VeerKamp,

I hope the information enclosed is helpful to you. We recently moved and some of our brochures are at the printer's being updated with our new address and telephone numbers.

Our local CHRB has heard and mediated over 4000 landlord/tenant disputes within San Joaquin County. This program is co-sponsored by the cities of Stockton, Manteca, Ripon, Escalon, Tracy, Lathrop and hopefully soon to be included will be the City of Lodi.

If there are any questions or if you would want me to make a presentation to the City Council, please don't hesitate to call.

Sincerely,

Peggy J Wagner

REQUEST FOR FUNDING

1. Organization Name and Address: STOCKTON-SAN JOAQUIN COMMUNITY
HOUSING RESOURCE BOARD 1325 NORTH CENTER STREET SUITE 2 STOCKTON CA 95202
2. Is your organization a designated non-profit? no X yes.
3. Project Title: COMMUNITY HOUSING RESOURCE BOARD
4. Amount Requested: \$ 51,954.00
5. Project Description: (Narrative statement indicating the type of project/activity to be undertaken with CDBG funds).
Funds will be utilized to continue to provide fair housing services to citizens who reside within San Joaquin County of low-moderate income.
6. Project Area Description: (Map indicating the location of the project/activity and a narrative description of project area boundaries).
San Joaquin County's unincorporated areas and the cities of Manteca, Ripon, Escalon, Tracy, Lathrop, and Lodi.
7. Service Area Description: (Map indicating the service area of the project/activity and a narrative statement as to who and what areas are to be served by the proposed activity).
San Joaquin County's unincorporated areas and the cities of Manteca, Ripon, Escalon, Tracy, Lathrop, and Lodi.
8. What is the anticipated project/activity commencement date?
August 1, 1993, and completion date? July 31, 1994
9. What other sources of funding will be utilized?
City of Stockton CDBG Funds
10. Provide a proposed line-item budget for this project/activity:
- SEE ATTACHED -
11. Will this project/activity require funding in subsequent years? no X yes, if yes describe:

REQFUNDS

In an effort to affirmatively further fair housing and continue to provide fair housing to the residents of San Joaquin County in incorporated areas and the cities of Manteca, Ripon, Escalon, Tracy, Lathrop, and Lodi. It is also our charge to prevent discrimination and unfair treatment of persons based on their race, color, religion, sex, ancestry, national origin, physical or mental disabilities, and familial status.

The Stockton-San Joaquin Community Housing Source Board's chairperson is hereby authorized to bind and negotiate with the County of San Joaquin regarding this funding request.

Martín J. Heróles

CHAIRPERSON

2-19-93

DATE

INTRODUCTION

The Stockton-San Joaquin Community Housing Resource Board was established by the Department of Housing and Urban Development (HUD), and was incorporated as a non-profit organization by the State of California in December, 1983. The office is located at 1325 N. Center Street, Suite 2, Stockton, California, 95202.

The Board of Directors consists of a cross section of community residents and representatives of agencies with an interest in fair housing.

In an effort to affirmatively further fair housing, the Stockton San Joaquin Community Housing Resource Board proposes to continue to provide fair housing services to the residents of the unincorporated areas of San Joaquin County and the cities of Manteca, Ripon, Escalon, Tracy, and Lathrop and to begin service to the residents of the city of Lodi.

S-SJCHRB is an organization that advocates fair housing implementation, and expanding housing choices for purchase or renting regardless of a person's ethnicity.

At least seventy percent of the residents served will be of low and moderate income levels, as determined by the Department of Housing and Urban Development.

There is no duplication of this type of service, because there is no other agency, group or organization providing the fair housing mediation services in San Joaquin County.

This request for funding is under the Social Service Activities category.

Stockton-San Joaquin Community Housing Resource Board's Fair Housing Program meets the eligibility criteria, national objective, and the area of benefit criteria.

National Objective

This project will address the needs of low and moderate income persons.

Eligibility

S-SJCHRB meets the eligibility criteria by providing a social service activity for the county's citizenry.

Area of Benefit

Those to benefit from this project will be of low-moderate income, handicapped persons, and the elderly.

The Stockton-San Joaquin Community Housing Resource Board
will continue to:

- Receive and process discrimination complaints from low and moderate income persons, particularly the elderly and those who are physically or mentally disabled. All complaints will be referred to the appropriate Federal or State agency for investigation. S-SJCHRB will maintain a log of discrimination complaints by type, location, source and amount of income, and in particular the number of low-moderate income persons requesting and receiving assistance.
- Provide mediation and conciliation in resolving tenant-landlord disputes/complaints. Staff will interview both the tenant and the landlord to obtain facts regarding the dispute and, if necessary, arrange a meeting with the tenant, the landlord, and others as appropriate to negotiate and resolve the matter. If the dispute can not be resolved through the mediation process the client is referred to Small Claims Court or legal advisor.
- Provide outreach and counseling services to tenants and landlords concerning their rights and responsibilities, safe and sanitary conditions, how to obtain repairs, compliance with lease/rental agreements, and unit upkeep. S-SJCHRB will refer prospective home buyers to existing housing programs and financial/real estate professionals. Fair housing education literature will be distributed throughout the community via personal contact, flyers, local newspaper advertisements and articles, and through the presentation of seminars.
- Seminars will be presented by S-SJCHRB staff concerning housing issues and tenant-landlord laws and will utilize qualified speakers when appropriate.
- The Stockton-San Joaquin Community Housing Resource Board's objective is to prevent and detect housing discrimination in the housing rental/sales market and to inform the public, particularly low-moderate income persons, of their rights and responsibilities.

OBJECTIVE-ACCOMPLISHMENTS

The Stockton-San Joaquin Community Housing Resource Board anticipates the following objectives will be accomplished during the program year:

- Reduce the number of tenant-landlord disputes heard in Small Claims Court by diverting disputes from the courts to the S-SJCHRB mediation program.
- Decrease the output of legal notices served to tenants by landlords by educating both parties of their rights and responsibilities concerning the lease/rental agreement.
- Reduce the number of evictions performed by the Sheriff's Department of San Joaquin County, thereby reducing costs and use of staff time for that department.
- Reduce the amount of time, inconvenience, and costs to tenants and landlords pertaining to unit repairs by emphasizing to both parties the value and necessity of unit upkeep and scheduled maintenance as opposed to damage and/or destruction of property caused by abuse or neglect.

STOCKTON - SAN JOAQUIN
COMMUNITY HOUSING RESOURCE BOARD

Affirmative Action Policy

PURPOSE

The Stockton-San Joaquin Community Housing Resource Board is committed to the principles of Affirmative Action to achieve equal opportunity in public service. S-SJCHRB, its board of directors, and employees will not discriminate against any employee or client because of race, color, creed, political affiliation or belief, sex, handicap, age, religion, ancestry, medical condition, marital status, or national origin.

S-SJCHRB will take whatever action is necessary to insure that services are provided without regard to race, color, creed, political affiliation or belief, sex, handicap, age, religion, ancestry, medical condition, marital status, or national origin.

This policy shall govern personnel actions including, but not limited to: recruitment or recruitment advertising; employment, assignment, upgrading, training, promotion, demotion, or transfer; layoff or termination; rate of pay or other forms of compensation; or participation or appointment to boards and commissions. All employment decisions shall be made on the basis of individual qualifications.

The employment goal of this policy is to develop an employee population that is representative of the general population of the community.

This policy intends that this agency, which provides public services, shall not discriminate against any protected group, employee, or applicant for employment on the basis of race, color, creed, political affiliation or belief, sex, handicap, age, religion, ancestry, medical condition, marital status, or national origin.

REPORTING DISCRIMINATION COMPLAINTS

Any employee, employment applicant, contractor, vendor, or client who feels he/she has been discriminated against, as defined above, is strongly encouraged to immediately bring the complaint to the attention of the appropriate supervisor.

Inquiries and/or complaints will be investigated at the lowest level possible and in as confidential a manner as is compatible with a thorough investigation of the complaint.

All complaints of discrimination shall be sent to the Department of Fair Employment and Housing (DFEH), State of California.

Any employee determined by impartial investigation to have been guilty of the prohibited discrimination will be subject to appropriate disciplinary procedures, up to and including termination.

SENIOR SERVICE AGENCY OF SAN JOAQUIN COUNTY, INC.

PHONE 466-9524 / 224 SOUTH SUTTER STREET / STOCKTON, CALIFORNIA 95203

March 15, 1993

RECEIVED
MAR 15 1993

Tom Walker, Deputy Director
San Joaquin County Community Development Department
1810 E. Hazelton
Stockton, California 95206

COMMUNITY DEVELOPMENT DEPT.
PLANNING DIVISION

Dear Mr. Walker,

This letter is to clarify questions that your committee has regarding the Senior Service Agency's request for 1993-94 CDBG funds for the kitchen project.

The Senior Service Agency reaches out to all cities in San Joaquin County. The following is an approximate meal breakdown per year for each area's meals.

	<u>In-Home</u>	<u>Congregate</u>
Stockton	116,715	148,843
Tracy	12,299	17,068
Linden	502	4,518
Manteca	9,287	9,538
Lockeford	4,267	6,526
Escalon	4,267	10,512
Lodi	31,375	23,845
French Camp	-----	4,518
Ripon	5,522	5,020
Woodbridge	-----	8,785

These congregate sites provide a balanced meal to seniors over the age of 60 years. They pay a suggested donation of \$1.50. The sites provide healthy meals and provide activities which keep people active independent members of society. The in-home meals provide an alternative to institutionalization and help to lower health care costs.

The Senior Service Agency humbly requests additional assistance through the use of CDBG funds for the kitchen.

There have been additional variables that have impacted the original plan.

- A. Additional equipment is needed because present equipment is either inadequate or non-regulation in a new facility.

March 15, 1993

Page Two

- B. Changes in the planned building's ceiling height have caused major changes in fitting the old equipment into the new kitchen causing extra cost.
- C. Part of the Senior Service Agency's share of the proposed kitchen funds have unexpectedly needed to be utilized for on-going program costs due to City and State funding cuts and a decrease in United Way funding. Capital Improvement funds which had been proposed in the early planning years were used to offset these operating costs.

This request to restructure the loan and add \$180,000 in CBDG funds thus will complete the kitchen project.

- D. The City of Stockton was not included in this year's request because up to this time they have provided \$937,000, all of which is a low-interest loan. It was felt the County's \$250,000 contribution which \$78,000 is a loan could possibly be a resource.

In conclusion, the Senior Service Agency's mission is to provide an independent healthy lifestyle for all County seniors. This project is an investment for all County seniors. It improves the level of service for the senior nutritionally and the nutrition sites are a reference point for social services.

This kitchen acts as a catalyst for keeping seniors active, useful citizens who give back to the community in which they reside.

Thank you for your consideration. Any assistance your committee can give to this project is appreciated.

Sincerely,

Judith M. Brown
Executive Director

The total chlorophyll content was determined using the method of Lichtenthaler and Whistler (1972). The total chlorophyll content was determined using the method of Lichtenthaler and Whistler (1972).

This image shows a blank, aged, cream-colored page, likely an endpaper or flyleaf of a book. The paper has a slightly textured appearance with some minor discoloration and faint smudges, characteristic of old paper. The left edge of the page shows the binding structure, including what appears to be a metal clip or staple used to hold the page in place. There is no text or other markings on the page.

OF SUPREMACY

**Mr. Eric Veerkamp
Planning Department
City of Lodi
221 West Pine Street
Lodi, California 95241**

Please find enclosed the Women's Center of San Joaquin County request for \$50,000 from the Lodi Community Development Block Grant. The \$50,000 would be applied toward the purchase of real estate in the east side of Lodi to house services for victims of domestic violence and sexual assault.

Thank you in advance for your consideration of this request. If you have any questions or require additional information please do not hesitate to call me.

Alle Ling-Dansen.

5232-01-01-0000

**LODI COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAM
PROPOSAL SUBMITTED BY
THE WOMEN'S CENTER OF SAN JOAQUIN COUNTY**

1. ORGANIZATION NAME AND ADDRESS:

Women's Center of San Joaquin County
Lodi office
P.O. Box 2543
Lodi, CA 95241
(209) 941-2611
Contact: Joelle Gomez-Dawson, Director of Development

2. IS YOUR ORGANIZATION A DESIGNATED NON-PROFIT? Yes.

3. PROJECT TITLE:

Women's Center of San Joaquin County - New Building Site for Lodi Office.

4. AMOUNT REQUESTED: \$50,000

5. PROJECT DESCRIPTION:

The Women's Center Lodi office provides crisis intervention to victims of domestic violence and sexual assault. Services are provided in person and by telephone. Services offered include peer counseling, and professional counseling with a licensed therapist, support groups for battered women and self-esteem-building classes for women. A crisis line operates 24 hours and an information and referral service runs during business hours. A clothes closet for women provides business attire for court appearances and job interviews.

The Women's Center would use a \$50,000 Community Development Block Grant (CDBG) to purchase a building to house services for abused women and children in Lodi and the surrounding areas. The proposed project addresses two of the objectives required by the CDBG Program: a) benefiting low and moderate income persons and, b) meeting a particularly urgent community development need. The Lodi office is considering the purchase of a facility valued at \$100,000 and is located at 29 S. Washington Street.

6. PROJECT AREA DESCRIPTION

The Lodi office for the last four years has been housed in the Lincoln School building (53 S. Cherokee, Rm 5) in Lodi. This building permanently closed March 1. The Lodi office is temporary housed across the street at 7B S. Cherokee Street. The community has shown a tremendous amount of support with monetary and in-kind donations to the Center, including a recent gift of \$25,000, to be allocated to the rental or purchase of real estate. A grant from CDBG would be applied with the \$25,000 donation toward the purchase of a residential facility located at 29 S. Washington Street, situated on the east side of Lodi (see map attachment). The estimated value of this property is \$100,000.

Since the opening of the Lodi Branch in March of 1989, the office and services have been controlled by volunteers. It is the dedication and determination of these volunteers that has kept the office open for the last four years and has given the community of Lodi a peace of mind. Last fiscal year, Lodi provided 1,452 hours of service to women of Northern San Joaquin County. The volunteers answered 136 domestic violence calls and 23 sexual assault/adults molested as children calls. 156 referrals were made for food, shelter, and clothing.

The Washington Street property consists of 1,130 square feet and would provide ample space for peer counseling and support groups as well as reception. As this property is larger than the previous location in the old Lincoln High School, the Lodi branch would be able to offer additional services to the community such as support groups for Adults Molested as Children (AMAC) and adult sexual assault victims. To date the Lodi branch has an active network of 32 volunteers certified by the State of California to provide crisis intervention and another 22 volunteers who are waiting to offer their time and expertise for information and referral services.

Women's Center Proposal to Lodi CDBG Program (continued)

7. SERVICE AREA DESCRIPTION

The Women's Center Lodi office provides services to women, children and families from Lodi and the surrounding areas of Woodbridge, Galt and Lockeford. Based on the Women's Center's experience in providing programs to thousands of clients over a seventeen year period, as well as data collected on battered women and children served, the Center projects that 70% of the clients served in the Lodi area will be low-income. Last year 75% of the clients the Lodi office provided services to were in the low income bracket.

8. WHAT OTHER SOURCES OF FUNDING WILL BE UTILIZED

In January, the Lodi News Sentinel published an article announcing the urgency for a new site for the Lodi office. The following week an anonymous citizen of Lodi gave the Women's Center \$25,000 to use towards the rental or purchase of a new facility. This Community Development Block Grant request of \$50,000 would enable the Women's Center to place \$75,000 toward the purchase of the Washington Street property. The property is on the market for \$100,000, however the seller is willing to negotiate the price acceptable to the Women's Center budget.

9. LINE-ITEM BUDGET FOR THE WOMEN'S CENTER, LODI BRANCH

A Line item budget is attached.

10. WILL THIS PROJECT REQUIRE FUNDING IN SUBSEQUENT YEARS?

No, this project will not require funding in subsequent years.

**THE WOMEN'S CENTER OF SAN JOAQUIN COUNTY

Mr. Tom Peterson
Lodi City Manager
P.O. Box 3006
Lodi, CA 95241

Dear Tom,

Enclosed is a copy of our application to the county offices of Neighborhood Restoration for the purposes of applying for a Community Development Block Grant. Since we are a county-wide agency, we are seeking county-wide support for our program of soliciting food from food processors, warehouses and growers. We do not generally solicit supermarkets, the local charities do that. We solicit the food processors, etc., which have a need to discard large quantities of food that they reject because of age dating expiration or because it does not meet their quality standards. The food is still edible but not marketable from the viewpoint of the processor. We warehouse this food until local food closets, feeding sites, or homes for the homeless can make use of it in their programs. We need to continue to serve those on the front lines of the fight against hunger in our midst.

We presently are serving charity groups in your community. As part of our Second Harvest affiliate membership requirements we must make certain that each charity we serve properly stores and handles the food donated. We can report that those in your community do comply. We wish to not only serve them as we have in the past, but meet the greater need that is very apparent to any agency or individual in the county that works in efforts to feed those who are hungry.

Food is the most basic need of any human being. We are very dedicated to meeting the need of those individuals in our county that are living below the poverty line and actually suffering hunger on a nearly daily basis. We can meet this need with the support requested. If we receive the support to provide the means for solicitation and transportation of a greater quantity of food, we can add at least 500,000 pounds to the food we plan to distribute next year, and the same for the years that follow.

The graphs and spreadsheets included in the application tell the story of where we have been serving the needy of San Joaquin County during the past four years. The $\frac{1}{2}$ million pounds we speak of are worth over \$1,000,000 on the food market. We will need less than \$100,000 over the next year to achieve that goal. We do hope that you will consider supporting our request, for the sake of those who see every day the great need of people in our county and struggle to meet that need. We can make a big difference, if we have this support.

Sincerely,

A handwritten signature in cursive script, appearing to read "Stan", written in black ink.

Stanford A. Davis

ATTACHMENT

5. Project Description:

San Joaquin County Food Bank has been able to increase the food available to the poor and homeless in San Joaquin County during the last year by over 400,000 pounds and over the past two years over 800,000 pounds. This has been accomplished with the limited resources available to the food bank when it was moving less than 1/2 of what we are moving today. With a slight increase in personnel and funding to pay for truck maintenance and operation, the Food Bank will be able to service our county with more food which will be available to the unemployed, homeless and disadvantaged.

The service that a food bank performs is to work with food distributors and processors to make use of food that would otherwise be discarded. If a processor discovers that a certain run of product is below quality standard, it is discarded unless a food bank is readily available to pick up and warehouse the food. The processor cannot store the food for long, nor does he wish to call a number of charities to come and pick up small lots. We take all they have and warehouse it until the charities can make use of it. We do not solicit supermarkets or any food distributor that might handle small lots of food that are already going to charities. We take nothing away from existing charities, but rather seek to serve them with additional food. We seek truck loads that no single charity can handle. We pick up truck loads and send out pick-up loads.

More and more regulations are being demanded by processors and distributors. We must have adequate transportation, accounting and monitoring of the agencies we serve, to meet the health standards, 2nd Harvest standards and the standards to prevent the donated food from being discarded. All this demands a considerable percentage of our resources. However, we are able to cover those demands with our present budget and numerous volunteers. Additional funding will all be dedicated to the increase in acquiring and moving more food to those in need.

The funds will be used to maintain and enlarge our capacity to pick up and deliver food, by the hiring of a part-time food solicitor, who will make contact with the many food processing agencies in the county, and the improvement of our fleet of trucks and drivers. This will allow us to better serve the food providers and the charities. (See the attached proposed budget)

6. Project Area Description

Please see attached map of San Joaquin County and list of agencies to which we provide food. Our warehouse is located on the eastern edge of Tracy, just outside of the city limits. We are presently receiving donated food from as far away as Lodi, Modesto and Concord. During the summer months we share produce from the Salinas/Watsonville area.

7. Service Area Description

Please see attached map of San Joaquin County and list of agencies to which we provide food.

RE: COMMUNITY BLOCK MONEY

GOOD DAY:

AS A NEWLY FORMED TASK FORCE CALLED, GANG ALTERNATIVE PROJECT (G.A.P.), WISHES TO HAVE OUR CHAIRMAN, MR. PERFECTO MUNOZ, ATTEND THE APRIL 7TH CITY COUNCIL MEETING TO MAKE A BID FOR THE COMMUNITY BLOCK MONEY THAT IS AVAILABLE.

PLEASE CONTACT MR. PERFECTO IF THERE ARE ANY FORMS OR PROCEDURES HE SHOULD COMPLETE BEFORE THE MEETING OF THE 7TH. IF YOU NEED TO CONTACT MR. MUNOZ BELOW IS HIS WORK ADDRESS AND APPROPRIATE PHONE NUMBERS.

MR. PERFECTO MUNOZ
511 E. MAGNOLIA ST.
4TH FLOOR,
STOCKTON CA 95202.

WORK NUMBER IS 1-465-0218.
HOME NUMBER IS 339-9312.

THANK YOU FOR YOUR TIME.

SINCERELY YOURS.

A handwritten signature in cursive script that reads "Kathy L. B. Hirling".

KATHY L. B. HIRNING
SECRETARY
GANG ALTERNATIVE PROJECT (G.A.P.)

EASTSIDE IMPROVEMENT COMMITTEE

Phone 368-8848

February 26, 1993

Mr. Eric Veerkamp
Community Services
City of Lodi

Dear Eric:

If possible, we would like to have 500 copies of your complaint form COMPFRM2.DOC 1/25/93. We intend to distribute these to eastside residents and tell them how to file a complaint under Lodi's "ugly ordinance."

We plan to collect the complaint forms and present them to the Lodi City Council to substantiate our request for additional staffing for your department. We will ask that block grant funds be used for salaries for an additional code enforcement inspector and one clerical support person to handle complaints generated within the area specified under federal poverty guidelines, which include much of Lodi's eastside.

If you can furnish the copies, please call when they're ready and I'll pick them up.

Our meeting with you was very informative, and we thank you for your time. Please be assured of our intent to cooperate with city staff in every way possible. The support we've received from city employees has been outstanding, and I'm impressed by the efficiency and courtesy that have been so helpful.

Cordially,

Virginia Snyder
Eastside Improvement Committee

Mayor Phil Pennino
Lodi City Council
221 W. Pine Street
Lodi, CA 95240

Dear Mayor Pennino:

I am writing this letter in support of the Lodi Women's Center application for \$50,000 in community development block grant funds. As a member of the Lodi Women's Center Community Committee Board, I am very much aware of the importance of this particular application. The Lodi Police Department has a long standing, excellent working relationship with the Women's Center.

The Women's Center provides a very valuable service to battered and abused women of this community. The Lodi Police Department has seen a sharp increase in domestic violence type calls in recent years, and we are extremely grateful for the services provided by the Women's Center.

From day one, their approach has always been: How can we best serve the police department and the victims of this community. The Women's Center is a tremendous resource for the community because they provide a service not readily available from any other organization. A woman who has finally gotten the courage to leave a "battered environment" needs the support and services provided by the Women's Center.

The requested funds will be used to purchase a permanent facility for the Lodi Women's Center. I feel this is a very worthy project which warrants serious consideration by the Lodi City Council. I suspect there are more funds requested than funds available, and I hope the City will see fit to assist us in our effort to provide a permanent facility.

Sincerely,

Capt. Larry D. Hansen
Captain Larry D. Hansen

10. Will this project/activity require funding in subsequent years? X no ___ yes, if yes describe:

**Gang Alternative Program
Lodi City Gang Task Force**

5. Project Description:

The Gang Alternative Program/Lodi City Gang Task Force, is requesting funding in the amount of \$20,000 to provide positive alternatives assistance and counseling to these youth. This will include counseling these gang youth toward job opportunities, resume writing, job training programs, educational opportunities and most important how to say no to gang involvement. In order to provide these services we will need to hire a Gang Counselor who is very knowledgeable of current gang activities.

6. Project Area Description:

The Gang Alternative Program, will encompass the City of Lodi and Lodi Unified School District.

7. Service Area Description:

Specific target areas will be Lodi Eastside community, Lodi High School, Senior L Middle School and Woodbridge Middle School.

8. What other sources of funding will be utilized?

The three Rotary Clubs in Lodi are considering giving the Gang Alternative Program \$7900 dollars for gang intervention and prevention.

In addition, the Gang Alternative Program will be applying for funding from the California Wellness Foundation who have set aside 24 million dollars for Teen Violence prevention.

9. Budget line-items:

Gang Counselor:	\$15,000
Telephone:	300
Office Supplies	1,000
Printed materials	500
Peer Counselors	3,200
Total	20,000

February 15, 1993

Lodi City Council
& Community Development Dept.
& Staff

Dear Sirs:

I am requesting \$75,000.00 of the Community Development block grant funds. This money would be used to convert a historical 13 room hotel building built in 1905, into three (3) low income apartments. The rents on these apartments would not exceed \$395.00 per month. There are people waiting in line to rent these apartments. This building is in the center of Lodi near the Lodi Arch. It is located at 105 E. Pine Street. It is across the railroad tracks from the proposed new transportation center.

I have recently re-roofed this building and installed the necessary extra fire escape staircase as required by the building and fire department. Both the roof and the staircase have been completed and signed off by the Lodi Building Department.

As of this time the upstairs is stripped down to bare lumber and is a potential fire hazard. The Lodi Fire Marshall said he wants this project completed.

Plans have been drawn by Mike W. Smith, a civil engineer at 4 N Main Street, Lodi, California. The project is to be completed by the Ralston Construction Co., License #478769. I have been consulting with Eric Veerkamp of the Community Development Department concerning this project and the possibility of receiving block grant funds since early 1992. Please help me complete this project by loaning me this money.

Sincerely,

Don Lipscomb

Block Grant Program
FY 1993-94

The Department of Housing and Urban Development (HUD) has provided an estimated allocation of Community Development Block Grant (CDBG) funds for the City of Lodi. HUD has indicated that the City's allocation under this program will approximate \$500,000. Funds would generally be available on July 1, 1993.

Eligible projects must satisfy one of the three national objectives mandated by Congress. The stated national objectives are:

1. To address the needs of low and moderate income persons.
2. To eliminate a slum or blighted condition.
3. To resolve an urgent need.

CDBG funds are intended to assist communities in addressing broad range community development and housing needs.

The types of community development projects eligible for funding are;

1. Public improvements and services.
2. Renewal and rehabilitation projects.
3. Housing rehabilitation.
4. Economic development.
5. Social services activities.

City staff will be available to meet with community groups or individuals to discuss project proposals or activities.

Discussion of specific community needs, possible strategies and project proposals are encouraged.

The City will accept applications for project proposals through February 27, 1993. Recommendations regarding the proposed use of funds are scheduled to be presented to the City Council in March, 1993.

For additional information on the City's CDBG Program, contact Eric Veerkamp, Community Development Block Grant Coordinator, City Hall, (209) 333-6711.

SUBJECT: PUBLIC NOTICE - AVAILABILITY OF FUNDS COMMUNITY DEVELOPMENT BLOCK GRANT
PROGRAM FY 93-94

PUBLISH (DATES): Fri., Jan. 29, 1993 and Sat., Jan. 30, 1993

TEAR SHEETS WANTED: 1 Extra (only) DELIVER TO: Planning Department

AFFIDAVIT & BILL TO: City of Lodi, 221 W. Pine St., Community Development Dept.

DATE: Jan. 26, 1993

PREPARED BY: JAMES B. SCHROEDER

NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN that on Wednesday, March 17, 1993 at the hour of 7:30 p.m., or as soon thereafter as the matter may be heard, the Lodi City Council will conduct a Public Hearing at the Carnegie Forum, 305 West Pine Street, Lodi, CA, to hear the following matter:

Possible uses for the City's expected \$500,000 allocation under the Community Development Block Grant Program for the 1993-94 Program Year. The City will be soliciting public comments and project ideas and will be considering multi-jurisdictional proposals. Detailed information concerning this matter is on file in the City Clerk's office and can be retrieved during regular business hours.

All interested persons are invited to present their views and comments on this matter. Written statements may be filed with the City Clerk at any time prior to the hearing scheduled herein and oral statements may be made at said hearing.

If you challenge the subject matter in court, you may be limited to raising only those issues you or someone else raised at the Public Hearing described in this notice, or in written correspondence delivered to the City Clerk, 221 West Pine Street, Lodi, California, at or prior to, the Public Hearing.

Dated:

By Order of the Lodi City Council

Jennifer M. Perrin
City Clerk

Approved as to form:

Bobby W. McNatt
City Attorney

EASTSIDE IMPROVEMENT COMMITTEE

TO: Lodi City Council April 7, 1993

FROM: Virginia Snyder

RE: Request for block grant funding

Gentlemen, I realize that in these days of tight money you are being forced to make some painful decisions regarding city expenditures.

On a personal level, many of us who own property on Lodi's eastside can sympathize with you. If we spend money to upgrade our properties, we wonder whether it will be returned to us in the form of greater appreciation and a better quality of life, or whether it will be wasted if our neighborhoods continue to decline into slums.

With the valuable help of city staff, we are educating ourselves on the city codes and ordinances that were designed to halt the spread of blight. During this process we have discovered that much of the time, city codes are not being enforced.

Mr. Jim Schroeder has told us the city has a backlog of around three hundred complaints of code violations. In addition to those complaints already on file, the Eastside Committee is helping citizens to complain about code violations.

It's a simple procedure. Any citizen can telephone 368-8848 and we will take a complaint for any area of Lodi, file it with the city and track it until it is resolved. The complainant may choose to remain anonymous. Also, at the mayor's request, we will furnish him with a monthly printout of complaints pending and he will keep the city council informed.

Since this system removes the fear of retaliation and the embarrassment of possibly upsetting a neighbor, we have received fifty additional complaints within the last month, and more are coming in every day.

It's no problem to generate complaints. The problem is there is no one enforcing them. Mr. Jim Seimers is the only code enforcement officer for the entire city of Lodi. In addition to handling complaints, he has collateral duties which take up at least 75% of his time, leaving only 25% for code

enforcement. This is in no way a criticism of Mr. Seimers. I'm sure he is a capable city official. It is a criticism of a system in which complaints from citizens go unanswered. This lack of action can only lead to more public apathy, spreading disregard for the law, and disillusionment with a government which fails to perform the duties for which it has been created.

The Eastside Improvement Committee believes there is a solution to this problem. Therefore, we respectfully request that you fund an additional code enforcement officer from block grant monies. Since block grants must be used to benefit low and moderate income persons, we know that a large area of Lodi's eastside falls into that category.

In some of our neighborhoods we see young children leaning out of second-story windows that have no screening or guard railings, kids playing outside while drug deals are taking place right in front of them, and youngsters living in roach infested dwellings where normal standards of sanitation are absent.

Our problems are so great that a full-time officer is needed to enforce the health and safety codes, building codes, noise abatement, and the ugly ordinance. Since about 30% of our population is Hispanic, it would be especially helpful if that individual spoke Spanish.

I think it's important to remember that while conditions on Lodi's eastside are rapidly deteriorating, we do not have a monopoly on problems. There are code violations all over town, and as these conditions are ignored, we're seeing other areas of our city where blight is spreading like a dark stain.

An additional code enforcement officer will free up city staff to handle complaints from all over town in a more timely manner and will benefit not just the eastside, but our entire community.

I'm sure there are dozens of places where block grant funds are needed. Things like paving streets and installing signs are important, but if you were to ask the person whose property is being overrun by rats because junk in the neighbor's yard provides a breeding place, I believe you would agree that services to human beings are even more important.

On behalf of the Eastside Improvement Committee, I urge you to give us the tools we need to require enforcement of existing codes and ordinances throughout the City of Lodi.

Thank you for your time.

LODI, CALIFORNIA

EASTSIDE IMPROVEMENT COMMITTEE

MISSION STATEMENT

1. Our goal is to empower our citizens to combat crime, drugs, and blight in eastside neighborhoods and throughout the City of Lodi.
2. We accept responsibility for maintaining our own homes and businesses in a clean and attractive manner.
3. We do not expect government to do those things for us which we are capable of doing for ourselves.
4. We are not an "eastside island." We are a culturally diverse, vital part of Lodi, and have much to contribute to our community. We welcome the help of all citizens, and intend to work together to improve the quality of life for our entire city.

Honorable Mayor and Members of the Lodi City Council

JENNIFER M. FERRIN
CITY CLERK
CITY OF LODI

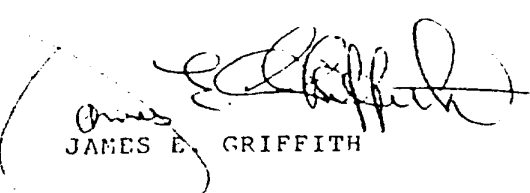

At the last City Council meeting there were many presentations made to the Council for Grant Funds and most were worthy of your serious consideration. I was particularly impressed with three of these requests, ie. \$20,000 for the Gang Task Force, \$50,000 for the Women's Center Lodi Branch, and the Eastside Improvement Association for support in code enforcement. You have the rare opportunity to take IMMEDIATE action on all of these requests if you would reallocate the \$149,000 that was not used by the Lodi Hotel project.

The request of the Gang Task Force and that of the Eastside Improvement group would utilize funds in a way that is not typical of past allocations of Grant Funds but TIMES ARE CHANGING. The difference is that these funds would be used to pay salaries rather than renovate a building. These would be temporary positions and provide a response to an URGENT need. To assist the code enforcement officer, the city could find a temporary employee to relieve him of his duties other than clearing his desk of complaints. With a backlog of 300 plus complaints this requires action NOW.

The Lodi Branch of the San Joaquin Women's Center is a most worthy recipient of your support. This group of volunteers was recognized as a Trophy Winner Golden Rule Award by the J. C. Penny Co. on 4/14/93 in a county wide competition. If others can recognize the value and accomplishments of this group in our city then how can the City Council do less.

I do not envy you your task in the allocation of grant funds but I do believe that you could solve some immediate needs by the expeditious reallocation of the funds from the hotel project.

Respectfully,

JAMES E. GRIFFITH
